BIBLICAL AFFIRMATIONS FOR PROSPERITY AND  
ENLARGEMENT IN THE MARKETPLACE

Get Started.

# Hello!

You are reading biblical declarations by Dr Bunmi Ogunleye. Whatever stage you are in your business - whether you have an idea, you are a start-up or have operational businesses - these declarations would impart an anointing that propels you along your entrepreneurial journey and establishes you at the forefront of your industry. Entrepreneurship is a creative feat. Business owners create avenues for needs to be met, develop solutions to societal problems, create job opportunities for many, and boost the economy. Your business is a ministry. It is not a separate secular entity. I want you to know that as a Christian called to the marketplace when you steward in partnership with God - you would be amazed at what He will do through you and your organisation.

The Bible tells us in Job 22:28. (NKJV) "You will also declare a thing, and it will be established for you; so light will shine on your ways."

These declarations are all bible-based. You can download the audio version and meditate on them. As you speak these life-transforming words - may light and understanding come to you. May the Grace and Anointing to be all you were called to be and do fall on you and may you rise in your calling and be firmly grounded as you diligently pursue and apply these Godly principles.

Repeat these affirmations to yourself with conviction and belief. Let them sink into your spirit man and inspire you to take bold actions towards your goals.

Now I want you to declare these words out **loud** and **proud**.
